Figure out how to use it

A large crowd of people is seen from behind, silhouetted against a bright, yellow-green stage light. The crowd is dense, and many people have their arms raised in the air, some holding up phones to capture the moment. The stage is illuminated by numerous bright spotlights that create a hazy, atmospheric glow. Above the stage, a complex rig of stage lights and equipment is visible, with several spotlights directed towards the audience. The overall scene conveys the excitement and energy of a live music performance.
